Minutes of General Membership Meeting on Wednesday, August 21, 2019: Reviewed and accepted with one spelling correction.

Treasurer's Report: Bill Nichols

We do not have a June 2018-June 2019 end of year report yet from Saline Area Schools. Once we have the final CARES report, our completed financial statement for the year will follow. July and August, 2019, show income exceeding expenses by about \$7,000: program fees are being paid, but teacher expenses are not yet paid. This is typical of our cycle at SASC. Reviewed and accepted.

Director's Report: Nancy Cowan

We are having a busy fall season. I have attended several trade shows recently, spreading the word about SASC.

50-50 Raffle tickets will be mailed to the membership soon. Last year's winner received nearly \$1,600 cash, which meant that our scholarship fund received the same amount. Tickets are \$2 apiece; members are being sent three tickets each. The office has more tickets and encourages members to sell more to friends and neighbors. The drawing is at the November 20 General Membership meeting. In addition to the cash prize, other prizes were donated from local merchants.

The Bell Isle trip was full and enjoyed by all.
