

## SASC Art Exhibit Guidelines

- Saline Area Senior Center (SASC) is now accepting application for art exhibitions by groups or single artists. Please read the following before submitting an application to exhibit your work at SASC.
- Original 2D and 3D works of art may include: Photography, art glass, pottery, painting, sculpture, textiles, jewelry, drawings/etchings, wood, or ceramic. The exhibitor must have two dimensional art framed or display-ready.
- An exhibitor must complete an application for exhibition along with images of the actual works to be considered. Images may be submitted in digital format, as well as photographs or color copies. Actual works cannot be submitted. The exhibits will be reviewed and selected by a committee at SASC.
- SASC reserves the right to decline any application for artistic, cultural, educational, scheduling, or any other reasons. SASC staff reserves the final approval on the exhibit.
- Exhibits may be scheduled for up to two month intervals.
- Scheduling the hanging and dismantling is arranged with Megan Kenyon, Program Coordinator. Nothing may be attached to walls except for tape for signage.
- Each exhibitor is responsible for transporting, hanging, and dismantling their works at SASC. Staff will show you where to exhibit and unlock the showcase but may not be available for assistance with setting up.
- SASC has a hanging system which includes 12 acrylic posts and can support canvases and frames of up to 50lbs. There is also space in our locked showcase which can accommodate other forms of art for viewing.
- The exhibitor must provide a typed artist statement which may be used in our newsletter, online, and displayed by the exhibit. SASC reserves the right to photograph work for publicity purposes.
- Artists may sell their items; all sales must be arranged between the artist and the buyer off site. You may leave your contact information at the front desk or on your name card. Prices may be listed on the individual works. Artists must also agree to donate 30% of the sale to SASC.
- Each exhibitor must sign an Exhibit Release Form that releases Saline Area Senior Center from any responsibility for loss or damage to the works on display. Exhibitors must make their own arrangements for insurance.
